## Project #1:

# Baby Blanket

**Knitting level:** Beginner

Who wouldn't want to wrap their baby in a soft handmade blankie? The pattern combines simple knit and purl stitches to create a textured design. It can be used to keep a baby warm in a stroller, as a play mat on the floor, or as a cozy layer in a crib. Feel free to change the colors and size to fit your needs!

## Finishing

Cast off and weave in the ends using a darning needle. To block the project, wet the project slightly and let it dry on a flat surface.

Your project is ready!
