

Project #2: Magic Snap Hat

You'll start working on this hat with a cozy ribbed brim, you'll then dive into the world of mosaic crochet to create a geometric pattern on the main body. Don't worry if you're not familiar with this technique - the pattern includes a helpful chart to guide you.

The hat comes in sizes from toddler to adult, making it perfect for the whole family. And there's an optional pom pom that attaches with a snap fastener, letting you easily change up your look

How to read a mosaic crochet chart:
 The chart is read from right to left for each round. You will only be working one color per round, indicated by the letter on the left hand side of the chart. A blank box on the chart indicates you will work a sc blo. A box marked with an X indicates working a drop-down double crochet. Drop-down dc is always worked into a st of the same color. The colors on the chart indicate how the finished pattern will look when the stitches have been worked.

Round 3

Ch1, *Sc2tog; rep from * to end, sl-st in first sc to join. (16, 17, 18 sts)

Fasten off with a long tail for sewing (around 25 inches).

With a sewing needle, weave the yarn tail through every other st around. Pull tight to close. Continue to weave yarn around the hat making sure the opening is fully closed. Weave the yarn in the opposite direction to secure. Trim the tail and weave in all ends. *(Image 26)*

If you don't want to add a pom pom, your hat is finished. *(Image 27)*

To attach the pom pom, take one half of the snap fastener and sew it to the hat. Now, you can attach the pom pom to your hat. *(Image 28)*
