Crochet level: Beginner

Introducing our easy and fun bookmark project – perfect for when you’re short on time but still want to enjoy a relaxing craft. It can also be a thoughtful gift for any bookworm in your life!

We will give you 2 pattern options, or you can make both! So, grab your yarn and crochet hook, and start this stress-free and enjoyable project together.

Please note that the yarn color in the instructional photos may vary from the color in your box.

And remember, you can always access your digital pattern with a **quick scan of the QR code!**

Materials:

- Half a skein of Bamboo Touch yarn
- US 6 (4mm) crochet hook
- Scissors

Stitches and abbreviations used:

- Magic Circle
- Ch - chain
- St(s) - stitch(s)
- Sc - single crochet
- Sl - slip stitch
- Hdc - half double crochet
- Dc - double crochet
- Tr - treble crochet

In this pattern, we'll use basic crochet stitches. Let's break them down before we start.

Sc (Single crochet): Insert your hook into the stitch, grab the yarn, and pull it through (you'll have 2 loops on the hook). Then, yarn over again and pull through both loops.

Hdc (Half double crochet): Yarn over the hook, insert it into the stitch, grab the yarn, and pull it through (you'll have 3 loops on the hook). Yarn over again and pull through all 3 loops.

Dc (Double crochet): Yarn over the hook, insert it into the stitch, grab the yarn and pull it through (you'll have 3 loops on the hook). Yarn over again and pull through the first 2 loops (you'll have 2 loops left on the hook). Yarn over once more and pull through the remaining 2 loops.

Tr (Triple crochet): Yarn over the hook twice, insert it into the stitch, grab the yarn and pull it through (you'll have 4 loops on the hook). Yarn over again and pull through the first 2 loops (you'll have 3 loops left on the hook). Yarn over once more and pull through the next 2 loops (you'll have 2 loops left on the hook). Yarn over again and pull through the last 2 loops.

Sl (Slip stitch): Insert your hook into the stitch, grab the yarn, and pull it through both the stitch and the loop on your hook.

Step 3

Repeat *this pattern to make as many petals as you wish.

We made 13 petals in this pattern, and the bookmark length is 8.5 inches.

When you make your last petal, cut the yarn and weave the loose end of the yarn.

Tassel (optional)

Step 1

Cut two threads 5-6 inches long.

Step 2

Take the yarn and wrap it around your two fingers approximately 15 times. Then, remove the yarn from your fingers—this will be the main part of the tassel.

Step 3

Take one of the threads, insert it on top of the tassel, and tie the knot several times.

Step 4

Take the second thread and wrap it around the tassel. Tie several knots on different sides of the tassel. Once you make sure that the threads are secured well, cut the thread.

Step 5

Take the scissors and cut the loops of the tassel on the bottom part. Shape the tassel to make even ends.

Step 6

Attach the tassel to the end of the bookmark by making the knot. Tie several knots and cut the extra yarn.
