Project #3:
Twisty Cowl

Level: Advanced

Wrap yourself in this stunning crochet cowl! It's long enough to double-wrap for extra warmth on chilly days or to wear loose for a more relaxed look.

You'll start with a fun cross-stitch section that creates an interesting texture. Then, you'll move on to some lovely V-stitches that give a lacy, delicate look. Finally, you'll finish with clusters that add a chunky, cozy feel.
